Information & Referral...

- The **MEDICARE OPEN ENROLLMENT** begins on **October 15th** and ends on **December 7th**
Don't Wait Until It's Too Late! Open Enrollment Appointments will begin in mid - October

Every year, Medicare Part D and Medicare Advantage (HMO, PPO) plans can change their premiums, co-pays, deductibles, formularies (list of drugs covered) and preferred pharmacies. In the case of Medicare Advantage Plans they can also drop providers from their Plan. It's important to review your options EVERY year to make sure you have the plan that works best for you for next year. This year we are anticipating that there may be some new plans and choices for you to make. Along with these new plans and choices we expect there will be some aggressive marketing with an unusual high volume of plan sponsored meetings. **REMEMBER!! YOU NEED TO BE SURE THAT YOUR PRIMARY CARE PHYSICIAN AND OTHER PROVIDERS ARE COVERED IN THE PLANS NETWORK BEFORE YOU CHANGE TO A DIFFERENT MEDICARE PLAN. YOU SHOULD ALSO BE SURE YOUR MEDICATIONS ARE COVERED AS WELL.**

- The **SUPPLEMENTAL NUTRITION ASSISTANCE PROGRAM (SNAP)**, provides assistance to purchase food. During these difficult economic times, even a modest monthly SNAP benefit can help to offset some of your household expenses.
 - * Using SNAP benefits is completely confidential and you use a card which works just like a debit card.
 - * The application for seniors is shorter (only two pages).
 - * If you spend more than \$35 per month on medical expenses including medications and doctor's visits, you may qualify for a \$155 standard deduction. (or even higher based on your medical expenses) This deduction could result in a higher monthly SNAP benefit. To apply, call 1-866-950-FOOD or call the Center.
- **FUEL ASSISTANCE** applications will be available in November. If you are interested in applying, please call the Center so we can take your name and number and contact you when applications become available.

Call 508 520-4945 for more information on any of the programs listed above.

"Independence, Engagement & Connection!"

The Franklin Council on Aging meets on the second Tuesday of the month at 10 :00 a.m. This is an open meeting; the public is invited to attend.

The mission of the Franklin Council on Aging is to enhance the independence and quality of life for Franklin older adults by:

- ◆ Identifying the needs of this population and creating programs that meet those needs.
- ◆ Offering the knowledge, tools and opportunities to promote mental, social and physical well-being.
- ◆ Advocating for relevant programs and services in our community.
- ◆ Serving as a community focal point for aging issues and as liaison to local, state and Federal resources for older adults and their families.

AND ON THE LIGHTER SIDE...

- ◆ Those cobwebs in my house just became decorations! Thanks Halloween!!
- ◆ To me, "Drink Responsibly" means don't spill it.
- ◆ I'm not sure how many problems I have because Math is one of them.
- ◆ Listen, I'm a nice person so if I'm mean to you, you have to ask yourself, why?
- ◆ I run like the winded.
- ◆ If you see someone buying popcorn, candy and soda at the movies, they are a drug dealer. There is no other explanation for that type of income.
- ◆ It's funny how drinking 8 cups of water seems impossible but drinking 8 cups of coffee goes down like a chubby kid on a slide.
- ◆ If I wanted to kill myself, I would climb up your ego and jump to your IQ.
- ◆ My boss says I intimidate my co-workers. I stared at him until he apologized.

"My name is Hilda, and I have a tendency to fly off the handle."
